## OVERVIEW

### Key Points

A perfect mix of six cute kids, a worship leader, and beautiful Scripture, this recitation has kids giving advice to Dads.

### Recitation Delivery Notes

As great as the kids are, it is the worship leader who really makes this recitation enjoyable. If the worship leader has a good rapport with the kids, then this recitation is lively and fun—with a few insightful passages. The reciters each give a short piece of advice, such as “Be kind” and then follow that with a passage of Scripture. They cite the reference and then the passage. Enjoy matching the kids with the passage that suits their personality and tailor the delivery to them.

	<i>kids run up and surround the worship leader</i>
Worship Leader	So you have some advice, do you? Of course, we want to make sure that your advice is sound, so I expect that you have a verse from the Bible that will back up your advice
	<i>kids become quiet, contemplating what was said, and sit down on the stage steps, assuming the "Thinker" pose</i>
Worship Leader	Gary: Do you have a great dad?
